Letter from Julie

During the holiday season I wish all of you time with family, friends and loved ones. Share memories of those who have gone before us. Laugh, tell stories, and make new memories. We are all here to love each other and to care for and serve each other. We are stronger together. May God shower you all with many blessings in the coming new year.

*Blessings to all!
Julie*

Pilot Memories

Our club received the sad news that Lois Thierolf passed away October 26. The club has sent a \$50 memorial in her honor.

Her obituary, as found on the Yorgenson-Meloan-Londeen web site, has been included in this edition of the Pilot Times.

PI Hires New Executive Director

On December 12, Pilot International hired Nancy White to be the Executive Director for the organization!

Nancy has an Associate's degree in Nursing, Bachelor's degree in English, Master's degree in Professional Communications and anticipates completing a Master of Public Administration by mid-2017.

Before joining us in the Pilot Family, Nancy White was the Administrator of the Macon-Bibb County Health Department, where she had previously served for 6 ½ years on its Board. A Registered Nurse, she is a Fellow in the American College of Healthcare Executives. Nancy's professional career includes healthcare operations, new business development, marketing and public relations, government affairs and public health.

She is a member of the Macon Symphony Orchestra Board, the Clayton Paul Animal Welfare Foundation, and the Department of Family and Children Services Board. She currently serves as a Board member for the Rotary Club of Macon. She and her husband Jeff have a 23-year old son and are active at Christ Episcopal Church. Nancy belongs to two book clubs and enjoys running and gardening. Nancy is the daughter of Hubert and Bettie Addleton of Macon, career Baptist missionaries to Pakistan. Nancy was born in Pakistan, the youngest of three children and attended boarding school there while growing up.
