Words from President Vernis

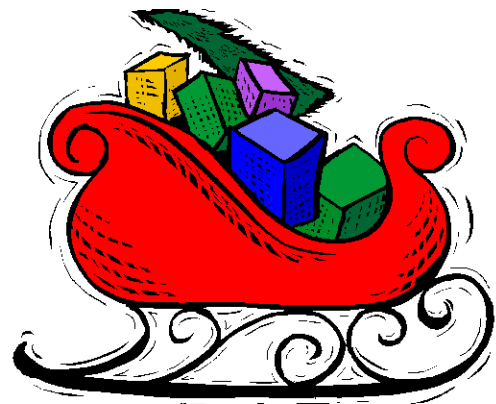

Merry Christmas to each of our Pilot Member !!!!!

I was happy to hear that our November meeting went so well. Pam Wallace enjoyed hearing from each of you. You helped her understand the many , unique projects we are involved in. Thanks.

I see Club Operations is in charge of the program for December and Projects will have January. Don't forget your \$10 Christmas Gift. I know there is a few of you that are ready for Christmas. I never fall into that category this early. I'll bet if you ask Carol Smith, she is ready.

Let's not be too serious for the December meeting and just have fun!

President Vernis

Merry Christmas

January Meeting... Projects Division planned to have Chris - son of Barbara who is one of our project lifesaver clients., come and talk to club..

February Meeting --Fundraising Division will have someone from Special Olympics come to recieve our donation and speak.
