Words from President Vernis

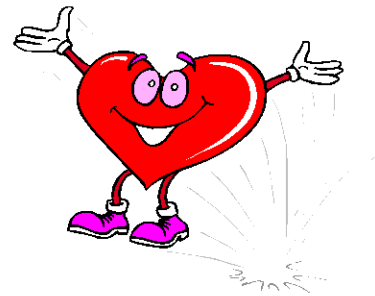

Once again I am proud to be a PILOT. I found it hard to keep the tears back during our January meeting program. Listening to Chris talk about how he has dealt with a difficult issue, making sure his mother is provided a safe and stable living condition. With the installed security system in her home, her Project Lifesaver Bracelet, and her family, she continues to live in her home. There are other safety features available to her each day that allows her family to know they are doing the best they can for her care.

Nice to hear Lareeda's update on one of our past scholarship recipients. Interesting to know how our scholarship dollars changed her life.

During our January meeting we held an election for Nominating Committee. Receiving the most votes was Cathy Stephens. She will serve as Chair with Cheryl Healey and Kylee Moore.

Hope each of you have contacted Marilyn to let her know when you can work the Antique Show.

The weekend will soon be here.

Anxious to hear what 60th Anniversary Committee has in mind for us. They met after our last meeting.

Hope to see all of you February 12th at Conroy's.

*In Pilot Friendship,
President Vernis*
