No November anniversaries

PI Ambassdor

winner was

Diana Boyd...

Congrats so well deserved

Words from President Vernis

Hope you all are staying warm. I'm just watching those crazy people getting ready to watch the Chiefs play Denver. Brrr ! I'm such a fair weather friend. You can't have it too hot for me. Still, Go Chiefs !!!!!

I'm looking forward to our visit from DAC Secretary, Pam Wallace, at our November meeting. I offered to have her spend the night at our home, but she said she would go back to Junction City the same night.

Don't forget to wear your Name Tag. It is so helpful for our guests.

Do you have someone that would make a Pilot? Please consider inviting them to our meeting Monday..

A reminder to complete the survey sent out last week. PI could use our input in their planning process for upcoming convention.

See you all Monday, November 13th...

President Vernis
