Letter from Jan

This past weekend was the first time I had ever made it to our Kansas – Missouri District Spring Convention, and I must say, I didn't know what I was missing. To start the morning, I walked into the room, and made my way to the table that had an empty seat, to be greeted with, "Well, there you are, I hadn't seen you yet, and didn't know if you were going to make it or not". Other greetings included, "It's good to see you again", "How've you been?" and other friendly remarks. If it sounds like I had just sat down with a table of long, lost friends – I have to say, that is what it felt like. That was just an example of the friendship and inclusiveness that I, as well as everyone else at the convention felt, the entire day. I've come to realize, especially through this past year, that Pilots are a special group, which I am so happy I have been able to be a part of.

The content of the convention was excellent, Jennifer Butler and her committee did a fantastic job of putting a great program together. From the workshops to the speaker to the entertainment to the installation, it was a very eventful, although tiring day. I'm sure the other ladies from our club who made the trip share very similar thoughts. Thanks to everyone who had a part in making this happen!

We still have some fun filled events still left this club year – geraniums sales will conclude this weekend, with pick-ups and more sales. The weather looks to be very cooperative, and I am going to be optimistic it will play in our favor! We also have the Autism Workshop coming up next month, which I heard a lot of compliments on this past weekend as well.

As we are in the process of planning for the upcoming year, please remember to get your dues of \$90 in to Marla prior to June 1. It was suggested that if we have 100% of our dues paid by the June 1 deadline, we should celebrate with a treat? Are you up for the challenge?

District Convention Charting the Course to the Beach and Beyond

District Convention was held April 29 and 30 in Topeka. Seven members from our club were in attendance and had a great time reconnecting with old friends and making new friends. Our contributions to the Silent Auction brought \$171 to PIFF. The Pot Luck set raised \$55 and the Coffee set raised \$36. The flower photo raised \$80. Thank you to all who contributed to the those!

Delegates Julie Clark, Shirley Hemme, and Karen Schroeder voted on changes to the standing rules (all passed with a unanimous vote). The only office that an election was held for was treasurer. In a close vote, delegates elected Barbara Sheffield, Pilot Club of Kansas City, Kansas, as the new treasurer. Other new

District officers installed were: Renee Johnson, Great Bend, president; Joan Williams, Pilot Club of Kansas City, Kansas, president elect; and Robin Eubank, Gyp Hills Pilot Club, secretary.
