Letter from Julie

Congratulations to all of the past presidents who came before me! I know most of our past presidents also held down a full time job while being president. Kudo's!! The months of June and July are a whirlwind for the incoming president. But it does get you moving, thinking and pumped up for the coming year!

The next two months will bring football games, falling leaves and KS-MO District Fall Workshop! Please look at your calendars and plan to attend the district workshop in October if at all possible. Last fall each club had a good representation of members that attended the workshop and I really enjoyed the fun and camaraderie!

Do more. Care more. Be more.

Julie

Some Pilot Trivia!

Question: What does ECR stand for?

Answer: Executive Committee Representative

Our KS-MO District Representative is Judy Jackson of Carrollton, Georgia. She was elected Pilot International Treasurer for a second term at the 2016 Pilot International Convention in Montreal.

She has taught college English at West Georgia Technical College for seven years and serves on the Library Committee. She also chairs the college-wide, five-campus Art Exhibit.

Judy is a talented leader, having managed state and federal budgets in three K-12 school systems respectively as Director of Special Education, Director of Secondary Curriculum & Professional Development, and Coordinator of Gifted Services. She was instrumental in securing grants for system-wide gifted services. Her accomplishments have resulted in several professional achievements, including being nominated for the Rick Perkins Award of the Technical College System of Georgia. She received the Outstanding Leadership Award given by the Georgia Association for Gifted Children for leadership in a school system, being nominated by teachers.

Judy is a member of the Association for Supervision & Curriculum Development, the Georgia Association for Gifted Children, and the Carroll County Cultural Arts Alliance. She also volunteers with her church and other civic organizations.

~ Pilot Memories ~

Some of my favorite Pilot memories are from when I served as the District Secretary. It was so much fun to get to know the DAC officers from the other Pilot Clubs! You also get to know about the other clubs in the District. It's great to know that we are part of such a wonderful, caring group!
