## Letter from Julie

Happy September, everyone!

Our program meeting last month was fantastic! Dr. Briana Nelson Goff's presentation of what she and her staff are doing for military families with a veteran having PTSD brings hope to everyone involved.

There are so many programs everywhere to help those in need of any type of assistance. When there is a problem we can be assured that someone is stepping up somewhere around the world and taking action to bring forward a solution.

We have two excellent programs coming up in September and October that show how an idea plus research, action, and dedication brings a program to the forefront. In September, a representative from Katie's Way will present us with information about the services they provide youth, young adults and families in Manhattan and surrounding communities. In October, Gary LaGrange will tell us about S.A.V.E. (Soldier Agricultural Vocational Education). It's a new project which will help veterans and wounded warriors transition into healing careers in agriculture.

Have a wonderful month! Let the Fall decorating begin!

## September is Founders Month

The Pilot International Founders Fund (PIFF) was established to support the community-based work of Pilot Clubs by helping to underwrite Club efforts to serve in the areas of Preparing Youth for Service, Encouraging Brain Safety & Health and Supporting those who Care for Others. Through the Pilot International Founders Fund, Pilot International and its local Pilot Clubs are able to improve the lives of others through education, volunteerism, financial support and research.

Since its inception in 1977, the Pilot International Founders Fund has assisted local Pilot Clubs in their efforts to serve and meet the needs of others through an extensive grant program that has disbursed over \$1,100,000.

The Pilot International Founders Fund also provides scholarships that support graduate and undergraduate students working in fields related to Pilot International's main areas of service focus.

# 2016 Fundraiser!

Our Fall Fundraiser is the perfect opportunity to start thinking about Holiday gift giving! Also consider hostess gifts, wedding gifts and more. There are a lot of cool items in the Heart Home catalog – as well as food and wrapping paper. Feel free to share with family, friends and coworkers!

As most of you know, our fundraising efforts have fallen short the past few years and we have been using our excess funds to operate – and that amount is getting critically low. Our dues and fundraisers have not generated enough money to cover our expenses and projects. To allow us to continue with the projects we want to for our community in the future, each and every Pilot needs to contribute to our fundraisers.

**In order to reach our goal of \$600 in profit we need each Pilot to sell a minimum of \$52 in products** – this does not include tax and shipping – (or donate \$21). Below is a table that shows how much we earn (40% profit on sales) based on how much each Pilot might sell if we increase those amounts.

1. Sell items from the catalog. Don't forget to add 15% to each order total for shipping and tax. Cash is accepted as well as personal checks. See the sample form on back with an example of how to add the shipping and tax. Please make checks payable to Pilot Club of Manhattan.

2. **Turn orders in to Jill Dupler by Oct. 5.** Orders can be turned in at Pilot meetings or mailed to Jill at 2609 Casement Rd. Manhattan, KS 66502. If you need someone to pick up an order, contact Jill by email at [twoduplers@yahoo.com](mailto:twoduplers@yahoo.com) or 785-770-3466, or Karen at [kschroed@twinvalley.net](mailto:kschroed@twinvalley.net) or 785-410-7867.

3. Orders should arrive in time to be distributed at the Nov. 9 meeting.

### Easy Online Ordering for Family and Friends

\*The club also receives 40% profit from all online orders and those items are shipped directly to the customer. Check out the

enclosed flier from Cherrydale for easy to follow instructions on how to let friends and family know about our fundraiser. This is SUPER EASY! My mom already ordered from me and I don't have to deliver it to her! I used her as a test, to see how the process worked. It was simple to set up the seller account and she said it was simple to order. Plus there are even more items online than in the catalog. I will get a link set up on our website so people can link from there. You may also share your seller account on Facebook to boost sales.

## PIFF Report

by Karen Schroeder

Two Kansas State University students sponsored by the Pilot Club of Manhattan were recently awarded scholarships from Pilot International Foundation.

Caleb Niehues, from Holton, Kan., received a \$1,500 Pilot International Scholarship. Niehues will be a senior in Nutritional Sciences. His goal is to earn a Doctor of Osteopathic Medicine with an emphasis in Orthopedics and eventually earn a Sports Medicine certificate. He plans to work on concussion education and prevention projects, including potentially creating a safer helmet for athletes and help make sports safer for future gen-

erations. The Pilot International Scholarship is awarded to an undergraduate preparing for a career working with youth leadership and development, helping with brain safety and fitness or caring for families in times of need.

Olabisi Ekong, from Nigeria, received a \$1,500 Ruby Newhall Memorial Scholarship. Ekong is working on his master's degree in Agricultural Economics. She sees a strong need in Nigeria to devel-

op and increase the agricultural production, specifically among women. She plans to teach them about risks they may encounter and help them find funding to increase their farming operations to small businesses so they can make a profit to take care of their household. The Ruby Newhall Memorial Scholarship is awarded to a student from a foreign country, pursuing a degree in the United States or Canada. The field of study must be of a nature that it improves the quality of life for the community in their home country.

Pilot International awarded 10 scholarships in the Kansas/Missouri District.

Pilot Ambassador. President Julie reminded the club of Fall Workshop in Great Bend, and October is Membership Month.

Miscellaneous Business – Caleb Niehues was the Pilot International scholarship winner and Olabisis Ekong won the Ruby Newhall scholarship. These winners were submitted from our club and were awarded \$1500 each. The KS-MO District had 10 winners totaling \$13050.

The Business Meeting was adjourned.

The Program meeting was called to order by President Julie Clark. Reception and Fellowship Pamela Hatesohl reported her daughter, Georgia, was Riley County Fair Queen plus she showed several animals at the fair.

Jan Cooper introduced her guest, Janet Lowell from the Central National Bank.

Shirley Hemme recognized Beryl Adams and Phyllis Allerheiligen for August Birthday Bank. Phyllis' mother turned 100. This year's funds go to "No Stone Unturned".

Beryl Adams recognized the perfect attendance members, Phyllis Allerheiligen, Pat Parker, and Shirley Hemme. Grace Prusik was recognized as a 25 year member of Pilot.

Program – Karen Schroeder introduced our speaker, Dr. Brianna Nelson-Goff, a 4th generation K-Stater, from the Health and Security of Military Families Institute at Kansas State. This institute was started in 2009 to set up retreats across the United States to help families with members suffering from PTSD. They also help military students returning to Kansas State.

The Program Meeting was adjourned.

Respectfully submitted,  
Sharron Washington, Recording Secretary
