To the Start of a New Pilot Year:

To know the joy of living is to know life's worthwhile things.

The satisfaction of work well done ... the joy that friendship brings ... courage after doubting ... understanding after sorrow ... learning from our yesterdays and looking forward to tomorrow.

It's counting up a lifetime not by the years we've spent, but by our store of memories and by our heart's content.

- by Clara Ingles (A former Pilot Club member)
