Hello Pilots!

It's sad to say goodbye to Summer as it's my favorite time of the year! With the bright sunshine, blooming flowers, green grass and warm temperatures it helps keep up the energy levels.

Recently, with Hurricane Harvey and the destruction in Texas and Louisiana, we have been asked to help others and keep the flood victims in our thoughts and prayers. If you have signed up for Constant Contact from Pilot International, you have been reading about requests to help the Hurricane victims thru donations to the Safe Harbor Fund. This fund contributes money to those in need or who have been displaced by natural disasters.

In September, Pilot International asked us to celebrate Founders month by honoring one special club member as our Ambassador for this year. We will be donating \$25 to the Safe Harbor Fund in their name and it will appear in the Spring issue of the Pilot Log.

Also, in September, our lives get back to the regular daily routines which allow us time to prepare for the upcoming events. With events for our children, grandchildren, family events, local sports teams, and fall festivals; our days and evenings get busier with all of the activities. We know how busy your lives become and we appreciate the extra time you take to help with our Pilot events.

This fall, we are planning to park cars at Central National Bank on September 30, attend Fall Council Fall project on October 7 in Kansas City, sell poinsettias in November and help with the Christmas cookie decorating party at Big Lakes in December.

We hope to continue working with USD 383 on the second part of their grant from last year too.

We'll keep you posted at the meetings and in the minutes of all of the upcoming Fall planned activities!

In Pilot Friendship,
Debbie

Rosalind Center

We have 2 sons, Michael (Allison) and Brian (Vivian) and 4 grandchildren- 2 girls and 2 boys. Melvin and I love to travel, talk about our wonderful grandchildren and I spend a lot of time playing bridge, keeping up with the yard and enjoying friends.

Rosalind was the winner of the raffle prize at our August 3rd meeting!

Laura Soash

Love scrapbooking and going to movies
Retired teacher

Linda Jones

I have been married for 32 years. I am a KSU grad. I started my insurance agency in 1998 and help local companies with their employee benefits, primarily with Aflac. My son and his wife delivered identical baby twin girls on April 9 in Omaha. My daughter is a special ed teacher in Topeka. We have a lake house south of Omaha and spend a lot of time there. We recently sold our house and bought a townhouse so we can be in Omaha as much as possible. My husband, David, has been a campus pastor at KSU for 20 years. I am from Raytown, MO.
